Manuscript ID (if given)	

2. Declarations

On behalf of all authors, I confirm that:

a) The manuscript is original, has not been published before, and is not under consideration by any other journal.

b) All listed authors have contributed substantially to the work, have read and approved the final manuscript, and agree to its submission to IJAPS.

c) No person who qualifies for authorship has been omitted, and all contributors who do not qualify have been acknowledged.

d) Work involving humans or animals was approved by the relevant Institutional Ethics Committee / Institutional Animal Ethics Committee (CCSEA), and informed consent was obtained where required. Approval details are stated in the manuscript.

e) All sources have been properly cited; the manuscript contains no plagiarised text, data or figures, and text has not been altered with paraphrasing tools to disguise its origin.

f) Any use of generative AI tools in preparing the manuscript has been declared in the manuscript, and the authors take full responsibility for its content.

g) All conflicts of interest and sources of funding have been disclosed in the manuscript.

h) Permission has been obtained for any previously published material (figures, tables) reproduced in the manuscript.

3. Copyright and licence

The authors **retain the copyright** of the article. If the manuscript is accepted, the authors grant IJAPS the right to publish it first and agree that it will be published open access under the **Creative Commons Attribution 4.0 International License (CC BY 4.0)**, https://creativecommons.org/licenses/by/4.0/. This licence allows anyone to share and adapt the article for any purpose, provided the original authors and IJAPS are credited.

4. Article processing charge

I understand that no submission fee is charged and that an article processing charge (INR 5,000 for Indian authors; US$150 for international authors) is payable only after acceptance, unless a waiver has been granted. Payment or waiver status does not influence the editorial decision.
